

International Clematis Society
2025-26 Seed Exchange

Society members can choose **10 seed lots** by sending an email to Mike Miller at mjmil@comcast.net. Please list them in numerical order like this:

- USA 2
- USA 5
- USA 22
- UK 3
- UK 16

For details about listed Clematis members can consult [Clematis on the Web](#) and the Society's [Previous Clematis of the Month index](#). Seed names are listed as submitted by donors.

Members from the UK and USA will receive their seed in January or February if they only order seed lots from their own country. Once requested seeds are exported to the different Seed Administrators the remaining requests are usually received in March.
